

LIFE IS THE CLASSROOM - IMMERSIVE YOURSELF

THE NOTEBOOK PAGES TO RECORD >> use it

Activity

While you are working through your next iLEAP cycle, use the pages to record Vocabulary, Grammar, Pronunciation and culture, to keep you organized and help you explore your new language in-depth. After, reflect on the experience by thinking about the questions below. You don't have to write your answers (unless you would like to do this!).

1. Did using the pages make the iLEAP cycle easier or more difficult? Why?
2. Did it take you longer to complete the iLEAP cycle using these pages? What do you think is the reason for this? Is going faster or slower a better way for you to learn? Why?
3. Are there more benefits or disadvantages to using these pages instead of your own system? What do you think you will use on your next iLEAP cycle? Will this continue into the future, or do you think you might change your mind?
