

# Manitoba Provincial Nominee Program for Skilled Workers

## CLB LANGUAGE GRID

Job-ready English is required in order to apply to the Manitoba Provincial Nominee Program. All applicants (*except those currently working in Manitoba in NOC 0, A or B*) must submit results of an MPNP-approved language test taken no more than two years prior to the date that your application is submitted to the MPNP.

MPNP-approved language tests are: [IELTS General](#) and [CELPIP-General](#) (in Canada only) and, for French, [TEF](#).

Applicants are assigned language points based on a CLB (Canadian language benchmark).

**CLB is determined from test scores according to the MPNP CLB Language Grid.**
